

VAIBHAV KUMAR

Programmer Analyst

Bengaluru, Karnataka

I'm a quick enthusiastic learner always ready for challenges trying to get my name pushed up in the software industry with the display of the quality of work I produce. Additionally, I never back off over hard work simultaneously working smart. Apart from my technical skills, I'm a polymath in my hobbies sector with specific taste in music (I'm a drummer), portrait photography, sports, sketching, doodling, sci-fi fan etc.
